Memorial Day - 1990

The weather smiled on Memorial Day events opening a busy day. Marion exercises at the VFW Memorial started the various services. World War I soldier Benjamin Dexter was on hand as usual, ramrod straight at the ceremony. This year he led the paraders in a patrol car on the march to the cemeteries. An appreciative crowd watched the event and cheered the paraders.

In the afternoon it was Mattapoisett's Memorial Day event by the Florence Eastman Post 280. The spectators were welcomed by the Commander, John N. DeCosta. Mr. DeCosta, in his remarks, announced that a flag was flying at the police station as a gift in honor of Private Francis J. Moran, uncle of Mattapoisett Police Chief James Moran. Pvt. Francis Moran had joined the Marine

Mr. DeCosta then presented a citation to Karl M. Collyer in recognition of a rescue of a sailor in distress on October 13, 1989. Mr. Collyer responded to a radio signal indicating that a vessel was afire at the entrance to Mattapoisett Harbor. Mr. Collyer, in a 16 ft. Boston Whaler, searched to windward of the reported location. Mr. DeCosta said, in part, "With the water temperature at 45 and the Coast Guard's arrival at least 25 minutes off, Karl knew the passenger's survival would depend on him. mile from the port side of the burning vessel Karl sighted the survivor and sole occupant of the 32 foot Wellcraft. Karl retrieved the sailor from the frigid water and transported him to shore where paramedics rushed him to the hospital for treatment from severe hypothermia. Karl Collyer's quick thinking and composure prevented a tragedy.

"Karl M. Collyer's actions of that day were of the highest order and reflected most favorably on him and his community. For that reason the members of the American Legion Florence Eastman Post 280, Department of Massachusetts, by unanimous vote, did cause this citation to be enacted and reported."

Old Hammondtown Band marching

USN (Ret.), former resident of Mattapoisett, was the speaker. He spoke first of the fond memories and good friends that he cherished from his days in Mattapoisett. He paid tribute to all of the veterans who had fought for the United States. He said that in our changing world with the Communist nations in deep trouble as their people start to break away toward freedom we must remain strong, constantly renewing our own republic. To illustrate his point, the Commander went to the text of Lincoln's Gettysburg Address for inspiration and instruction. He said that our present is so complex that the individual feels overwhelmed and outnumbered to the point of insignificance. The temptation to give up and let others carry on must be fought, he stated. The individual must keep well informed, must participate in town government, must make his views known to representatives. Commander Gilchrist said

that these actions together with the effort required to bring up children with a sense of honor and values are vitally important to our continuing success as a democratic society.

Courtney Hohne recited the Gettysburg Address, and a prayer was by Rev. Douglas Baker, pastor of the Friends Meeting House.

Musical selections were by the Old Rochester Regional High School Band and the Old Hammondtown School Band.

Following the library ceremony, Parade Marshall Commander Michael P. Lamoureux led the parade through the village to the wharf to honor those veterans who died at sea; the parade then proceeded to Cushing Cemetery for services, and returned to the Legion Hall. Marchers were served refreshments, prepared by the Legion's Auxiliary.

Mattapoisett Town Meeting

4th & FINAL NIGHT - MAY 29, 1990

by VIRGINIA MORGAN

The 156 voters at the fourth night of the annual town meeting completed the 11 articles remaining on the 45-article warrant last Tuesday at Old Rochester Regional High School auditorium.

The article seeking a total of $44,500 to be raised from the Waterfront Enterprise Fund was carried (but not unanimously) for capital projects including: $15,500, repairs to town wharves (20 pilings are damaged); $5,000, harbormaster's office improvement (at

least 50 percent for electrical work); $20,000, harbormaster's boat; $3,000, repair to the town beach bathhouse and $1,500, design of dinghy dock to increase space, with building done at a later date.

Michael Dahill, speaking on behalf of the Harbor Advisory Committee, urged passing the article, saying "Each year we will have to come to town meeting for work on the wharves. This expense will not affect the tax rate but will come from user fees into the Enterprise Fund."

An amendment proposed by Anthony Pelson to eliminate any funds for the boat and office and to put the $25,000 into wharf repair was defeated. Mr. Pelson claimed the $15,000 allocated for the wharves won't take care of anything. "Long Wharf should be fixed before anything else is done. I don't mind the harbormaster having a boat but boulders there are a foot away from the wharves and you will have trouble. Also, there is a boat owned by Brownell which is available to the police, fire and harbormaster."

Harbormaster Steven Mach said "We are aware of the wharf's condition but $40,500 wouldn't scratch the surface. We need a long-term solution and not a bandaid one. We will be back next year with a figure."

Richard Chase agreed with Mr. Pelson not

to spend on boat and office until the wharves are repaired. Donald Wood disagreed, saying, as the Fire Chief, "we've had to use the Brownell boat three times. It's time we started to have our own equipment, as we're not sure we'll have the Brownell boat available when needed."

Mr. Dahill explained there is the problem of liability with a private company boat. "The harbormaster shouldn't be in a position of using a boat from a company who does business on the wharf. We are not prepared at this time to spend $44,500 on the wharves without a design plan." (Although $44,500 was voted it was found after the meeting a difference of $500. from a total of items came to $45,000. The exact figure to be used will be determined later, said Town Accountant Joseph Bolton.)

Harbormaster Mach explained the boat would be a 22 to 25 foot outboard power boat and will be kept at the town dock space. He answered Police Chief James F. Moran's question on electronics on the boat saying "This will be a bare bones boat. It should have a life span of 30 years, with perhaps an engine replaced in five to ten years at $6,000 to $8,000. The present boat will be sold with proceeds going into the Enterprise Fund."

William Wood said last year cement was thrown on the wharf because it was caving in. "The harbor committee should take money and put it into a study - get a bond issue and take care of the wharves." Mr. Dahill said it is highly unlikely concrete will repair the wharves. "They need underpinning. The committee knows what needs to be done, but 50 percent of the revenue did not come from the harbor. Money comes from away from the dock. There is a lot of Mattapoisett water beyond the dock; they all need services."

A lengthy discussion covered the article placed by petitioner William Wood regarding the objection to having the Board of Selectmen and the Harbormaster prepare rules and regulations without first going to town meeting for voter approval. The article did not pass.

Mr. Wood said, "This past year the Selectmen took it upon themselves to by-pass town meeting to implement and put into operation rules and regulations. Since a September 1903 special town meeting when the town voted to purchase the wharves, it was never defined 'town landing'. Town meeting should have the authority and should not be changed except by town meeting vote."

Selectman Bernard F. Talty explained "we didn't act without town counsel advice. In 1988 the rules were proposed. We feel selectmen acted correctly under town counsel ruling."

Harvey Blanchette, member of the former Harbor Implementation Committee and presently an assessor, said that in September 1966 construction and repair of the existing pier and boat ramp began and in 1967 a concrete wall was installed to retain sand and in 1976 it was made a public landing.

"I take exception to Mr. Wood telling people not to pay their mooring fees and to keep money in an escrow account until after this meeting. There is a rumor that you (Wood) have a personal lawsuit against the Board of Selectmen on this issue." Mr. Wood said, "Yes, I do. It is my contention these rules were implemented incorrectly, and, yes, I spoke to my fellow boat owners, but being independent, they paid their fees."

A second article placed by Mr. Wood as petitioner asked voters to amend the general by-law: for the harbormaster/wharfinger to be an elected official for one-year term, and not appointed as he is now. Mr. Wood said this used to be an elected office but selectmen in 1973 petitioned the town voters to make it an appointed one. Mr. Wood's request for the elected office was defeated.

Selectmen Chairman John DeCosta explained this office was elected, but "we had problems so we asked the town to make it appointed so we could have the option to hire and fire. I feel it is a bad motion and urge you to vote against it."

Petitioners, homeowners on Stoney Hill Road, Pinewood Way and Tinkham Lane, were rewarded with success in getting the water pipes replaced although the Finance Committee did not recommend the article. Spokesperson

for the article was Judith Tonnessen of 25 Tinkham Lane, who spoke on her family's health and how she feels it has been affected by TCE in their water pipes, quoting several statistics. Noting she is involved with LIFE (Living in Fair Environment), she asked voters to consider if they had to live with this problem with their children. She said this TCE (tetrachlorethylene) is a known carcinogen and is hazardous to your health if ingested. "We buy bottled water but have to bathe in this water every day."

Water/Sewer Superintendent William T. Nicholson explained the readings on these three roads were within the state DEP standard limits. "We have tested once a year and are now waiting for direction from DEP on other steps to take." When asked about other roads with this problem, the superintendent said there are three - Barlow Lane, Brookside Drive and a small section of Pearl Street. All of these pipes were installed by private developers, he noted.

Water Commissioner Donald C. Wood said, I will vote to replace the pipes. The cost won't get any cheaper and no one will convince these people that it won't hurt them. I say vote and get on with it."

Water Commissioner Charles A. Morgan concurred with his associate, saying, "I don't recommend this as a Water Commissioner as the tests meet state standards, but as long as people are so panicky about it, we should vote once and for all."

At the conclusion of the lengthy discussion, voters did not choose to indefinitely post-

pone. After a huddle among the moderator, town clerk, selectmen, finance committee and water superintendent, the finance committee recommended the 1,830 feet of pipes be replaced with the sum of $80,000 by state house bonds, plus $7,500 to pay for borrowing, with funds to come from the Water Enterprise Fund. This will have no effect on the tax rate, but will deplete the Enterprise Fund for other projects. It passed by a 2/3 vote.

Mrs. Tonnessen thanked the voters for their approval. A favorable voice vote was taken asking the finance committee and water commissioners to return at the earliest opportunity to seek replacement of the water pipes in the three remaining roads.

The residents of Tinkham Lane were less successful in getting passed an article seeking to prepare preliminary engineering study to install drains and to resurface the road (an old town trail). Mrs. Tonnessen, who has lived on that road for four years, said the winters are bad on that road with many potholes. The vote was 75 to 40 to indefinitely postpone. Selectmen Chairman DeCosta said the board will look into the financing of all roads to be resurfaced; this was received with applause.

Heritage Lane was accepted as a town road because the Planning Board and High-

way Surveyor recommended acceptance, explained Selectman Daniel O. Mahoney.

Greenbough Drive layout was not accepted and indefinitely postponed because this road is not up to standard and was not recommended, Selectman Mahoney said. The article can be brought back at another time when the road is in proper condition.

A petition by the "Mattapoisett Friends of the Elderly" to have the town accept the provisions of state general law Chapter 59, Section 5, Clause 41C, which is an option of the town or city to accept by vote, was passed unanimously. The law will go into effect July 1, 1990 and will allow real estate exemption for homeowners over the age of 70, with certain income guidelines, to be eligible for an exemption.

As explained by Rosalie Joaquin of the Friends of the Elderly, Mattapoisett presently allows exemptions under Clause 41, which is mandated by the state, but Clause 41C allows for the elderly to be eligible for a $500 real estate tax exemption when the homeowner has a larger income and assets than under Clause 41. She said for the past three years, Mattapoisett has been reimbursed by the state more than it has

exempted due to a pro-rated basis percentage. The selectmen and assessors have voted to go on record as being in favor of the Clause 41C.

Petitioner James F. Huntoon's article to have the by-law "time in position" repealed was favorably voted. Mr. Huntoon said this by-law change was snuck through last year and there is a lot of money involved if allowed to continue. (As printed in the 1989 town report --fulltime elected and contractual personnel, excluding union and/or brotherhood personnel, shall receive supplemental compensation calculated each year -- 5 to 10 years, plus five percent of yearly salary; 11 to 20 years, plus 10 percent of yearly salary; 21 years and greater, plus 11 percent, plus one percent per year.) Mr. Huntoon said personnel should be compensated for what they do, not time in position. No one has received pay under this plan as yet.

Town Clerk fees shall be paid into the general treasury by amending the by-law. Town Clerk Lois Ennis will be compensated for the loss of the fees.

Money to go into the Reserve Fund was indefinitely postponed until after the next special town meeting at which time more information will be available on state reimbursements.

Moderator R. William Blasdale urged people to vote on the overrides on June 5th and ratify these four nights' work. "We thank the Finance Committee for their long, hard, unpaid and sometimes unloved labors." Chairman DeCosta thanked voters for their support the past year and for their attendance at the four town meeting nights.

Law Firm Hired

MATTAPOISETT SELECTMEN'S MEETING
MAY 30, 1990-by VIRGINIA MORGAN

Selectmen last Wednesday voted to hire the law firm of Perry, Hicks and Crotty of New Bedford, with a partner in the firm, Daniel C. Perry, as the town's special employe to work with the Selectmen in such matters as Selectmen consider appropriate. The firm will act as special town counsel until a permanent replacement for former Town Counsel Donald J. Fleming is found, Selectman Daniel O. Mahoney said. Mr. Fleming resigned on the second night of the annual town meeting when he protested a proposed by-law change that he said would take away his independence as town counsel.

No hourly wage or salary was announced at this time but will be determined at a later date for the legal services.

Selectman Mahoney, who recommended Attorney Perry and his firm, said "we need someone to assist us promptly and someone with experience in municipal matters." Attorney Perry will meet with Attorney Fleming to receive information on pending issues. Selectman Mahoney will act as liason between

the Board and the law firm.

Attorney Perry is the son of Leonard Perry, a senior member of the firm, who at one time served as legal counsel for Mattapoisett, as well as Dartmouth. He still serves the community of Gosnold, said his son.

Daniel Perry, who serves as legal counsel to the Greater New Bedford Regional Refuse District, is no stranger to town government. He is currently involved in several cases before area boards including the Dartmouth and Acushnet appeals boards. An initial motion to appoint only Daniel Perry was amended when the attorney pointed out that access to all of the firm's employees might benefit the town. Thomas Crotty, another member of the Perry, Hicks and Crotty firm, serves as town counsel in Fairhaven and Marion.

Among the pending cases and lawsuits are: the sanitary landfill consent order from the DEP (Department of Environmental Protection) to properly cover and slope the landfill; wage litigation; SEMASS contract with the company's requirement for an increase pending; a case involving the Conservation Commission and Mr. Ferreira; several zoning maters, and a new case, William Wood versus the town filed with

When shopping for glasses what should I be aware of?

It is most important that you know that the individual or business you will be dealing with is qualified. When you go to a doctor's office you will see displayed on the walls licenses and certificates indicating the doctor's training and schooling. These show a doctor's patients his/her qualifications and also serve to build faith and confidence in his/her abilities to provide proper care. The same holds true for opticians. SIGNED, OFFICIALLY, the agreement with Taylor Seafood of Mattapoisett Inc., a Massachusetts Corporation with a principal place of business in New Bedford (Taylor Seafood) to grant an aquaculture license to grow shellfish by means of racks, rafts or floats in the water column above the land under the coastal waters of the Commonwealth below the line of extreme low water located southwest of Mattapoisett Neck and Ram Island.

Selectman Mahoney noted the only major change in the original informal agreement made at an earlier meeting is the date on which the term of the license starts, because Mr. Taylor said the enterprise may take up to six months to be finally approved by the U.S. Army Corps of Engineers. The date will be for 7½ years from the Corps' date of approval but no later than January 1, 1991.

In a companion agreement between the town and Taylor Seafood, to further promote goodwill between the two parties, Taylor Seafood, Inc. will donate between 100,000 and 300,000 scallop seeds annually to the town during each year in which the license is in effect and such site is at full production.

cuss the pending consent order placed by the state DEP on the Health Board. The chairman said the state's complaint is that a bank is too high and improper cover cover material used, and not a complaint of leaching. He said the state wants a six inch daily cover, with a 12 inch intermediate cover of impervious clay. The cost is expensive, about $6. per yard and has to be transported from out-of-state at this time. He said, "However, we are looking into a more local site for suitable cover material. We will need heavier equipment than we presently own; we will have to rent a heavy loader for a few days' work. The state wants us to do this in 10 days. We can do it but it will cost money. We have almost $20,000 in the engineering expense account."

Selectman Mahoney recommended not to sign the consent order at this time but to inform the state "we are considering signing and will follow through on the basic work to be done." He noted the remedy is to make the landfill slope no steeper than three to one. Mr. Bowman was directed to get the basic work done first.

PLACED ON HOLD the matter of reorganization in the Selectmen's office until Selectman Mahoney has spoken to the Massachusetts Municipal Association (MMA) on how best

there has been a long standing dispute with the town on parking on the wharf. "I believe the state is willing to compromise on general public parking, when we show him the area on Depot Street. The state contends when you accept state funds, as the town did in 1966, there should be public parking."

RECEIVED A LETTER from Barbara Ketchel, 18 Old Marion Road, saying in part, "My constitutional rights were not protected at town meeting when in your wisdom to expedite the town meeting and do away with unpleasant discussion of the necessity of police cruisers, you did not include them in the operating budget but placed them in a capital outlay request. Whether I agree or disagree with the need of the cruisers is not the question. I am now curious to know how many other departments were encouraged to do the same. Give the voters the opportunity to approve the capital outlay."

SELECTMEN CHAIRMAN John DeCosta said he was asked by a woman why town meeting couldn't be held on Saturdays, as she had to hire a sitter for four nights. Selectmen noted many people do not attend town meeting as they are concerned about the lengthy discussions and late nights. Also, many people do attend because they like the discussions and have the opportunity to speak out on issues they care about.

Mr. DeCosta said he would like to see the town warrants and reports get out earlier before town meeting. Selectman Mahoney said perhaps it would be helpful if town counsel helped petitioners to formulate their article wording. He also suggested some of the larger budgets should have more itemized expenses. The point is, voters need more information ahead of time, Mr. Mahoney said.

RECEIVED A LETTER from Susan Zartman, guidance counselor at Old Rochester Regional High School, asking for the town to encourage a grocery store to come to Mattapoisett where the A&P was located.

Selectman Mahoney said Tedeschi's owns the A&P building and lot and that he would speak to the owners to determine what their plans are for that site.

Ms. Zartman wrote, "Over the years many of our young people have found part-time and summer employment at the store. I believe also that this loss will be significant."

Selectman Talty noted he received a letter some time ago asking if the town would pur-

WERE NOTIFIED by the New Bedford Regional Elderly Nutrition Program director, Manuel Brune, Jr., that effective June 4, 1990, the New Bedford Program will be assuming the full responsibility for the delivery of meals in Mattapoisett, to bring the town into conformance with all cities and towns under the prescribed service area.

"We are grateful to the Council on Aging and the town for its assistance in the delivering of meals over the years. We will not be able to pick up folks for lunch and will depend on your present system if you wish to bring people to the lunch site."

A letter on the same matter came from Evelyn S. Pursley, chairperson of the Council on Aging, notifying the board of this change, and writing, "A review of the van driver position will be made at the next Council meeting on June 12 at 10 a.m. For the present the services we will be providing currently are solely for the purposes of picking up two seniors for lunch and an occasional third person and also the weekly shopping trips."

4th of July Parade, Marion

YES, There will be a 4th of July Parade in Marion !!! The Benjamin D. Cushing Post 2425 V.F.W. will proudly sponsor the parade again this year.

Applications may be picked up at the Town Hall, Marble Hardware and Washburn Electric Company. Because the Band Concert will be held on Tuesday, July 3rd and the traditional Horse Show has been cancelled on the 4th and there is the possibility of MAYBE having fireworks, it is hoped that all town organizations, companies, individuals, everyone from Marion and the surrounding towns will participate in the parade, marching units, floats, etc. to make this parade one to remember.

Get your thinking caps on and start planning - show the V.F.W. that you can come through for them for all of their effort in keeping the tradition of the Marion

eye talk

Q. **My husband says sunglasses are unnecessary because nature has given us sufficient protection. Is he right?**

A. Natural sun protection was once sufficient but it no longer is.

Glare bouncing off car trim, pavement and buildings is one thing with which our ancestors did not have to contend. Then, too, we spend most of our day indoors and our eyes have become acclimated to less brightness.

Our longer lifespan also plays a part. Recent research indicates that long-term exposure to the sun's ultraviolet radiation can contribute to some types of cataracts. Out eyes' lenses have natural UV protection but it is not enough for our average lifetime.

In addition, people who have cataract surgery, one of the most common operations performed today, lose all of their natural UV protection.

There are many types of sun lenses available today. So ask your optometrist's advice in finding the ones that will best meet your needs.

Godspell coming to Marion

This lively musical, based upon the Gospel according to St. Matthew, will be performed by the energetic members of St. Gabriel's Youth Choir. Talented local actor Kurt Guba will star as Jesus and the production will include a live five-piece band.

Godspell, directed by Jean West and Sylvia Strand, will be presented on Friday, June 15th, and Saturday, June 16th. Both performances will start at 8:00 p.m. in the church. Tickets are $4.00 and can be purchased at The Bookstall, Marion General Store, Marion Pharmacy, The Sitting Duck, all in Marion, and Mattapoisett Pharmacy in Mattapoisett. Tickets are also available at the Church Office (748-1507).

Don't miss out on a wonderful evening of joyous celebration!

Letter to the Editor

We would like to clarify some points reported in last week's Presto Press, concerning the sewer pipe installation on Pepperbush Lane.

We, as homeowners, were faced with a bad situation that needed immediate action to prevent further contamination of the neighborhood and the Town Beach.

We proceeded with this project in conjunction with the Water/Sewer Department, unaware that there was a different or more proper course to take, as inferred by last week's article.

There are two costs which we have incurred. One is the private hook-up from the street pipes to our homes ($10,165.00). For this cost we assume total responsibility. The second cost ($16,450.00), however, is for the laying of pipes in our street, in order that we could proceed to hook up to our homes. These pipes, in the street, are now public property, in spite of the fact that they were paid for entirely with private funds, (our own money). The reimbursement we seek is for the cost of

COUNCIL ON AGING WISH LIST

We would like a volunteer personal shopper escort for one or two visually impaired seniors on Friday morning, approximately 9:00 to 11:00 a.m., shopping at Shaw's in Fairhaven. This is a great opportunity for a mother who has children in school to assist our fragile elderly.

We are also in need of volunteer shoppers for shut-ins who are not able to go on our shopping van. Since they receive "Meals on Wheels" they would require only light shopping once a week, at your convenience. Please don't hesitate to volunteer, for fear of commitment. The day you shop for yourself, you could also get the few items for a shut-in. If you are not shopping that week, merely call the Council and we will get a substitute for that week.

Volunteers - please call the Council office at 758-3758.

THANKS TO "THE FRIENDS"

The Council on Aging wishes to thank The Friends of the Elderly of Mattapoisett, Inc. for generously supplying a box lunch for the seniors who attended the Red Sox game on May 24th. A great time was had by all.

A special "Thank You" to Anthony Days who gave up his day off in order to drive the senior van to Boston.

You baseball fans who did not attend, please call the Council if you would be interested in attending a game in the future (758-3758).

Class of 1990 ORRHS

ACCEPTANCES INTO COLLEGES

The Old Rochester Regional Class of 1990 has distinguished itself by the number of acceptances and by the number of students who are attending top notch colleges and universities. Of the 116 students who applied, 108 of them have been accepted to colleges and universities; 75 students from the class of 1990 will attend 4-year colleges. Leading the list are colleges such as Harvard, Duke, U.S. Coast Guard Academy, U.S. Air Force Academy, and Manhattanville. Overall, the Class of 1990 received 241 acceptances from 125 colleges and universities. Their record is a tribute to the hard work of the members of the Class of 1990.

A Thank You

I would like to express my appreciation to Shellfish Warden Brian Nunes for his help on May 31st. Unfortunately my skiff had overturned while docked at the town wharf and with his help I was able to salvage the skiff, which only suffered minor damage.

In my opinion Brian respresents a true example of a public servant who unselfishly helps the people in this community when they need it. Officials like him are what make this town of Mattapoisett and its waters special. I would give my highest recommendation to Brian who acted in a helpful yet professional manner and would hope that he remains warden for many years to come.

I would also like to thank the older gentleman whose name escapes me now, but whose help was nevertheless instrumental in our efforts to save my skiff.

Thank You, David Nicolosi

BUILDING TRUST THROUGH COMMITMENT

Earning the public's trust in serving its heating needs doesn't come easily. It requires a commitment to service through a team effort, beginning with a dedicated customer service staff ready to respond to your questions and needs. It demands well trained maintenance and installation technicians with the know-how to keep your equipment running safely and efficiently. Finally trust is earned through a delivery crew providing on time deliveries. GlenPark Oil Company, serving this community's heating needs for over 168 years, and earning its trust for delivering both quality service and home heating oil. Call 996-8271.

A portion of the proceeds from all sales at this exhibition will benefit the New Bedford Women's Center, which is a non-profit organization that provides resources to all women of the greater New Bedford community.

Ms. Allyn, who studied at the Swain School of Design and at the School of the Museum of Fine Arts in Boston, has had one person exhibitions in Cambridge, Boston and Marion. She exhibits at the Copley Society in Boston, the South Shore Art Center, the Provincetown Art Association, the Falmouth Guild and the Marion Art Center, among others.

Many of her paintings, figurative and colorful, explore the activities and feeling of women. Her monotypes and pastels have been drawn from journeys, both actual and imagined.

to an extended run of packed houses at Mr. Griffin's native Rhode Island theater company Trinity Square and is soon to be made into a motion picture by Norman Jewison, the director of Moonstruck. The Boys Next Door will be directed by Michael Ventura, 3-time A.R.T.A. award winner. The cast includes Paul Fonseca, Scott Ventura, Matthew Hill, Ingrid Ames Loberg, Sandy Jackson, Barry Holmes and Chris Hope Piccone. Costumes are by Claudia Gray. Performances for what promises to be a laughter-filled theater experience at Gateway are: June 11, 12, 18, 19, 25, 26, July 6, 7, 13, 14 with an 8 p.m. curtain. Tickets for The Boys Next Door are $10, $8, and $6; special group sales (senior and student discount). Phone 295-6768; advanced sale tickets also at box office.

Gateway's summer includes auditions, new resident guest director and comedies: Nuts and Beyond Therapy.

Subscribe now to the Gateway Players, Inc. summer season starting in June with Tom Griffin's comedy The Boys Next Door, followed by the Barbara Streisand comedy Nuts, Christopher Durang's Beyond Therapy and Shaw's Pygmalion (the My Fair Lady comedy). Peg Holzemer, award-winning director of adult and children's theater, will be the new resident guest director at Gateway Playhouse. Ms. Holzemer's first production will be the hilarious Christopher

Durgan comedy Beyond Therapy (July production). For auditions and information phone Ms. Holzemer at 946-4779 or the playhouse at 295-6768. Needed for Beyond Therapy are 4 men and 2 women.

George W. Hayden has a cast call out for two Summer Gateway Playhouse productions: Nuts, a comedy which starred Barbara Streisand and Richard Dreyfuss on screen to be presented in the mini-theatre in July; and the classic Shavian comedy on which My Fair Lady was based, Pygmalion, to be upstairs at Gateway Playhouse in August. For more information on how to involve yourself in your regional community repertory theater phone 295-6768.

THREE ARTISTS WANTED TO EXHIBIT WORKS

If you've ever wanted to exhibit your artwork for the theater crowd The Gateway Playhouse offers artists space in their lounge with a new exhibition at each of the three summer shows. Phone Trustee Aileene Towne (295-4253) or the Playhouse (295-6768) for information on how to book your exhibition.

National Safe Boating Week

Operating a boat while intoxicated is just as dangerous and illegal as drunken driving.

Alcohol is believed to be a factor in more than 50 percent of boating accidents that result in death. It induces fatigue and affects coordination and balance, and when combined with the motion and engine noise of the boat and the effects of sun, wind and glare, can be a deadly combination for someone on the water.

The National Safe Boating Council recommends using a designated driver on boats as well as in cars. At least one member of the boating party should not drink, to operate the boat.

The council warns that any intoxicated person is in danger on the water. A moment of dizziness in a restaurant might result in an embarassing stumble, but the same misstep on a small, unstable boat can end in a drowning.

More than half the boating fatalities in 1988 involved falls overboard, or capsizing, accidents that often result from impaired coordination and balance.

This is National Safe Boating Week. The

Coast Guard Auxiliary urges you to "Know Before You Go" and use safe boating practices this week and throughout the season.

Summer Sunday Breakfasts

The West Island Improvement Association will start their summer Sunday Breakfasts on Father's Day, June 17th, from 8:30 to 11:00 a.m. at the Community Hall, Top o'the Hill on Causeway Road, West Island, Fairhaven. The last breakfast will be the Labor Day weekend, September 2nd.

La Leche League

Pregnant women and new mothers are invited to join us at the next meeting of La Leche League of Wareham, which will focus on childbirth, the early days and weeks with a breastfed baby, and adjustments the family makes after the baby's arrival. The meeting will be held on Wednesday, June 13th, at the home of Doreen Pierce, 1124 Main Street, West Wareham; arrival time is 7:00 p.m., the meeting will begin at 7:30.

The last months of pregnancy are the ideal time to get questions answered about breastfeeding, and meet other mothers who have established an enjoyable nursing relationship. The informal monthly meetings of La Leche League provide support, encouragement, and practical information. LLL offers many information sheets and reprints, a lending library of books on child-

YMCA Camp Massasoit has been in operation for 30 years, serving boys and girls 5 to 15 years of age from all over the Greater New Bedford area, including Dartmouth, Fairhaven, Mattapoisett, Marion, Wareham, Rochester, Acushnet and East Freetown.

Each session of camp is two weeks long beginning on July 2nd and ending August 24th. Activities include archery, arts and crafts, games and sports, nature and ecology, tennis, swimming lessons, open swim field trips, special events and free bus transportation in your neighborhood. Additionally, Camp Massasoit houses a Sailing Camp and a Counselor-in-Training program for teens. Scholarship money is available for needy campers.

For more information and to register contact the Greater New Bedford YMCA at 25 South Water Street in New Bedford, or phone 997-0734.

JAZZ BAND ENTERTAINS STUDENTS

For the third consecutive year the student body at Old Colony Regional Vocational-Technical High School was visited by the Apponequet High School Jazz Band.

Old Colony students gave high ovations to the Apponequet musicians, who brought the "Big Band Era" back to the student body. The jazz band, under the direction of Richard Noll, played a variety of musical selections mixing both slow and fast songs. The band featured many student soloists throughout their numbers.

Upon the conclusion of the concert the band members had lunch with the Old Colony students. Members of the student council provided tours to the Apponequet students, through Old Colony's various vocational-technical laboratories and shops.

Vocational-Technical High School were recent recipients of Awards from Southeastern Massachusetts University's Project Spotlight Program. The "Participation With Distinction" Awards were presented to Christine Buckley, Jason Casmira, Keith Jodoin, Suzanne Mercier, Ronald Pratt, Paul Strobis, Carrie-Anne Tomkiewicz and Dennis Tripp. All eight students are juniors.

The Spotlight Program is an after school enrichment program for gifted and talented students. The program functions to bridge the gap between secondary school and college. Participants attend SMU on Thursdays from 3:15 to 5:30. The students attend various lectures as well as a mini-course each semester. Talented students from southeastern Massachusetts High Schools participated in the spotlight program.

The Old Colony students were presented their certificates at the May District School Committee meeting.

STUDENT ADVISORY COUNCIL ELECTED

The student body at Old Colony Regional Vocational-Technical High School has begun the process of selecting a student to serve on the District School Committee. Recently an election was held to select the five students who will serve on the the Student Advisory Council to the School Committee for the 1990-91 school year.

Under Chapter 164 of the Acts of 1987, school committees are now required to include a student member as an ex-officio, non-voting member of the school committee. The chairperson of the Student Advisory Council

The Council members meet with the Assistant Superintendent-Director each month to review the agenda. They also attend each monthly meeting.

FACULTY HONORED

In keeping with the recently celebrated National Teachers' Appreciation week, the student body at Old Colony Regional Vocational-Technical High School conducted a series of activities to recognize the important roll of teachers in their education.

The students, with the support of the School Committee and Administration, decorated the school with banners, posters, and signs. Each day the students sponsored a small activity to say "Thank You". Each teacher received a special surprise each day. Highlight of the week-long event was a student organized pep rally.

This year marked the fourth consecutive

Introducing
the revolutionary new and improved Maxfli DDH Tour Limited MD

The longest ball in the history of golf is even longer! Introducing the new and improved Maxfli DDH Tour Limited MD. Maxfli engineers have taken the highly successful, PGA-winning dodecahedron (DDH) dimple technology and painstakingly combined it with an icosidodecahedron (ICDDH). It makes the new Maxfli Tour Limited MD, quite simply, the longest ball made.

A two-piece Surlyn ball with 432 dimples and a super-energized core, the new MD sustains initial velocity longer into flight for maximum distance.

Move up to Maxfli DDH Tour Limited MD, and find out how it feels to hit the Maximum Distance ball.

You will find more and more pros and amateurs switching to Maxfli DDH because it delivers maximum performance for lower scores.

The large shallow dimples scoop the wind and maximize velocity while the small, deep dimples provide controlled flight. The combination of the two in a continuum of repeating elements (12 intersecting pentagons with 30 dimples in each), results in a ball that delivers maximum distance and control.
